Help

This male likes to cash counterfeit checks. Anyone know him?  
The victim is King Concrete in Renton. He may also be involved in an assault with a weapon that occurred on Casino Road.

Thanks!

The Hispanic male is also the same suspect I have been trying to identify in case 16-110595. I have sent out to postings so far but no luck. Unfortunately no luck on facial recognition either. Looks like this guy is all over the place. I have not been able to confirm his identity. If his name is really **CODE 4(A)** then I will have PC for him as well.
