Good Afternoon!

I sent out the attachment last week. The fake license photo did not get a facial recognition hit. And no one yet seems to know her. The woman in the picture below is the one who presented the ID. It is not all that great but I thought I would try. From the video feed this is about as good as it gets. I think she may be more from the Tacoma area. Thanks for looking! Robin

This lady deposited a few stolen checks into a fraudulently opened account at the White Center BofA on 11/27/17. I believe we know who it is, but are looking for confirmation. **CODE 4(A)**

Facial recognition was unsuccessful. Thanks for looking!

Does this female look familiar to anyone? I believe we know who she is, but am hoping for confirmation. The issue is that my likely suspect has never had this DOL photo, so it may be photoshopped. The info on the license belongs to a recent vehicle prowler victim.

Facial recognition was unsuccessful. Thanks!
