Hi Charlotte,

Do you have a LE phone number for IRC other than the public 213-473-6100?

Also, would you be able to run facial recognition against our handler's photo? We obtained photos of our 3rd suspect in that fraud case. I have not blown them up yet, but I'm hoping the resolution is good enough.

Thank you,

I tried, but nada.

They are an interesting pair though. I ran them through Larcis and Coplink looking for peeps that may have been "Robert" too. nada

Anything? I'm not sure if those photos had enough pixels in there...but inquiring minds want to know 😊

I didn't get a chance to really work on this today. I'm gonna work on it now...and probably on Monday. ;))

Thanks a bunch!

Robert1 is the better of the two poses, IMO. I provide#1 twice (png & jpg) because one may crop better than the other. Unfortunately, I don't have Photoshop at work so while I can crop, I can't rotate with what I have.

This is case # 18-10754 which I sent you a flyer for on Monday. This guy is the suspected driver or handler. One of our suspects said his name is "Robert." There was only one Robert on the flight,

and his name was Robert Benz, but we do not know for certain if that was the name he flew under.

I believe my detective sent these images over to a detective in Lomita to pass around too, but hoping you can find a match in booking photos!

Thank you,
Tm

Dion Ingram just gave me 213-893-5324 for the watch deputy at IRC.

Sent me the pic with a case number and I'll run it.
