28 FEBRUARY 2003

ACCOMPLISHMENTS

Major Margaret H. Witt distinguished herself by outstanding achievement as Flight Nurse Examiner, 446th Aeromedical Evacuation Squadron, McChord Air Force Base, Washington. On 28 February 2003, Major Witt distinguished herself by coming to the aid of a critically ill passenger on board a commercial aircraft en route home from Seeb Air Force Base. Major Witt rendered emergency medical care to a 60 year old Department of Defense civilian who had collapsed on the floor of the aircraft. Using only the most basic medical equipment, Major Witt rendered life sustaining supportive care to the patient, consulted with the aircraft commander and made the recommendation that the aircraft divert to the nearest airfield with a hospital capable of caring for the patient. Her quick response to the emergency, her nursing professionalism, and dedication to the care of the patient without regard for own personal injury and safety represent the best traditions of Aeromedical Evacuation. The distinctive accomplishments of Major Witt reflect credit upon herself and the United States Air Force.
