EXPERIENCE

Disability Rights Washington, Seattle, Washington

Director of Legal Advocacy, 10/12-present; Associate Director of Legal Advocacy, 4/06-10/12; Staff Attorney, 5/04-4/06

Supervise attorneys, staff, and interns providing legal services to individuals with disabilities and mental illness across the state of Washington; represent both groups and individuals with disabilities with a wide variety of legal needs, including abuse and neglect, conditions of care and compliance with Medicaid in the community and institutions, discrimination, and violations of constitutional rights; consult and plan for appropriate utilization of legal resources; representative list of systemic/class action advocacy includes:

- Investigation and advocacy into legal violations of the “Ashley Treatment” (removal of breast buds, uterus, and administration of hormones to keep child with disabilities permanently small) see: investigative report at: <http://www.disabilityrightswa.org/home/ashley-treatment-investigation>
- *Marr, et al. v. Eastern State Hospital, et al.*, 2011 WL 2260982, USDC CS-02-0067-WFN (class action regarding inadequate treatment of individuals with dual diagnosis of developmental disabilities and mental illness);
- *Disability Rights Washington v. Penrith Farms, et al.*, 2009 WL 777737, CV-09-024-JLQ (use of federal protection and advocacy laws to investigate abuse and neglect of people with disabilities and mental illness in private facilities);
- *A.B. et al. v. Bremerton School District et al.*, 2008 WL 161985, C07-5682FDB (segregation of children with developmental disabilities living in institution from local school);

- *Boyle, et al. v. Robin Arnold-Williams, et al.*, USDC C-01-5687 JKA (inadequate assessment, delivery, and due process relating to Medicaid waiver services for people with developmental disabilities).

Seattle University School of Law. Seattle, Washington

Adjunct Professor of Law, 8/10-present

Teach upper-division law students about the numerous substantive laws affecting people with disabilities, as well as the policies that shape those laws and ethical considerations affecting the representation of clients with disabilities.
